Collage Portraits

October 16, 2022 (Sun)
13:30-15:30

Instructor : Art Educator Mioko Mochizuki

“Hama-Kids Art Club” is a workshop series for children at the Yokohama Civic Art Gallery.

Discover the wonderfully strange paintings by the 16th century Italian artist Giuseppe Arcimboldo, who combined objects such as fruits, vegetables, flowers, fish and books into composite portraits. In this bilingual (Japanese/English) art workshop, let's cut and paste food and botanical images to create our own unique collage portraits!
